PROFILE

I'm a passionate Full-Stack Developer with a strong foundation in both front-end and back-end technologies, and a creative edge in graphic design. I enjoy turning ideas into smart, user-friendly web applications that combine clean code with great design. With 2.5 years of teaching experience, I've developed strong communication and problem-solving skills that enhance my teamwork and project delivery.

WORK EXPERIENCE

Mohammadia Madrasah June 2022 - december 2024

Teacher

- Taught English language and communication skills to students of diverse levels.
- Created engaging learning materials and lesson plans to improve student understanding.
- Developed excellent communication and leadership skills.
